Dedication
76-77

The 1976-77 Yearbook staff proudly dedicates this year's Hassayamper to William McCauley, better known as "Mac." "Mac" has worked with the Prescott Public School System for eight years. Four of those years he has dedicated to Prescott High School, as gym and equipment manager. Mac also gives a great deal of his time to help the students individually. In addition to preparing the gym for games, he helps the cheerleaders and gives the team great moral support.

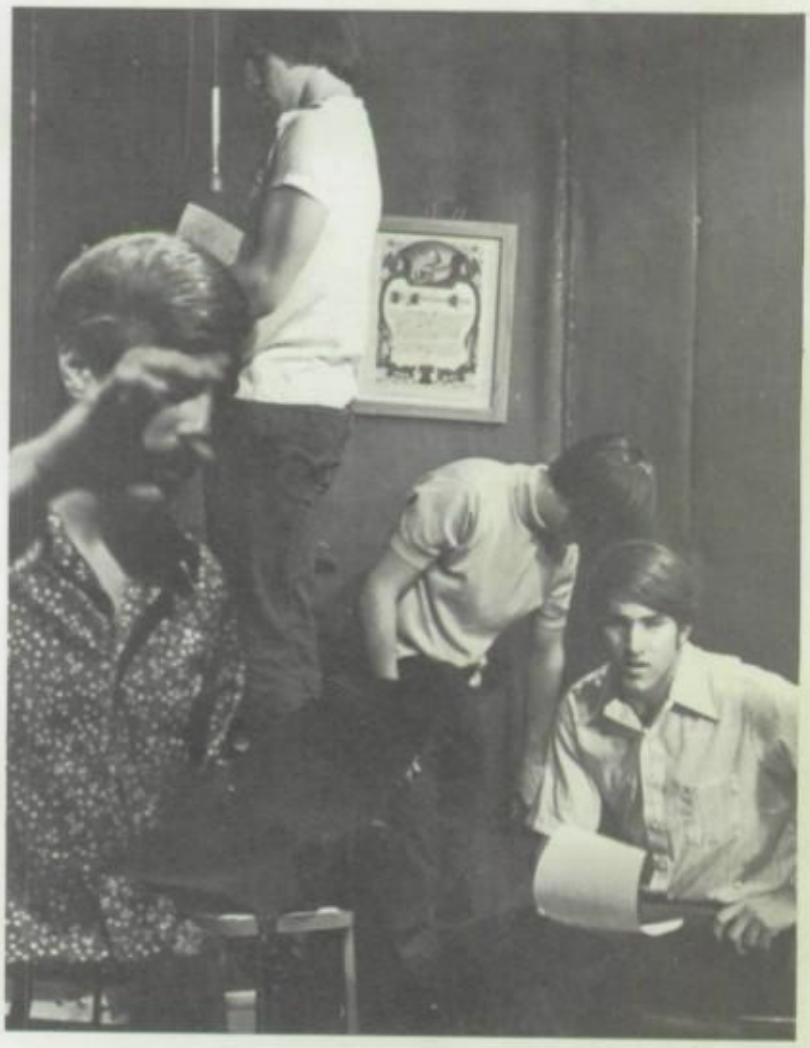
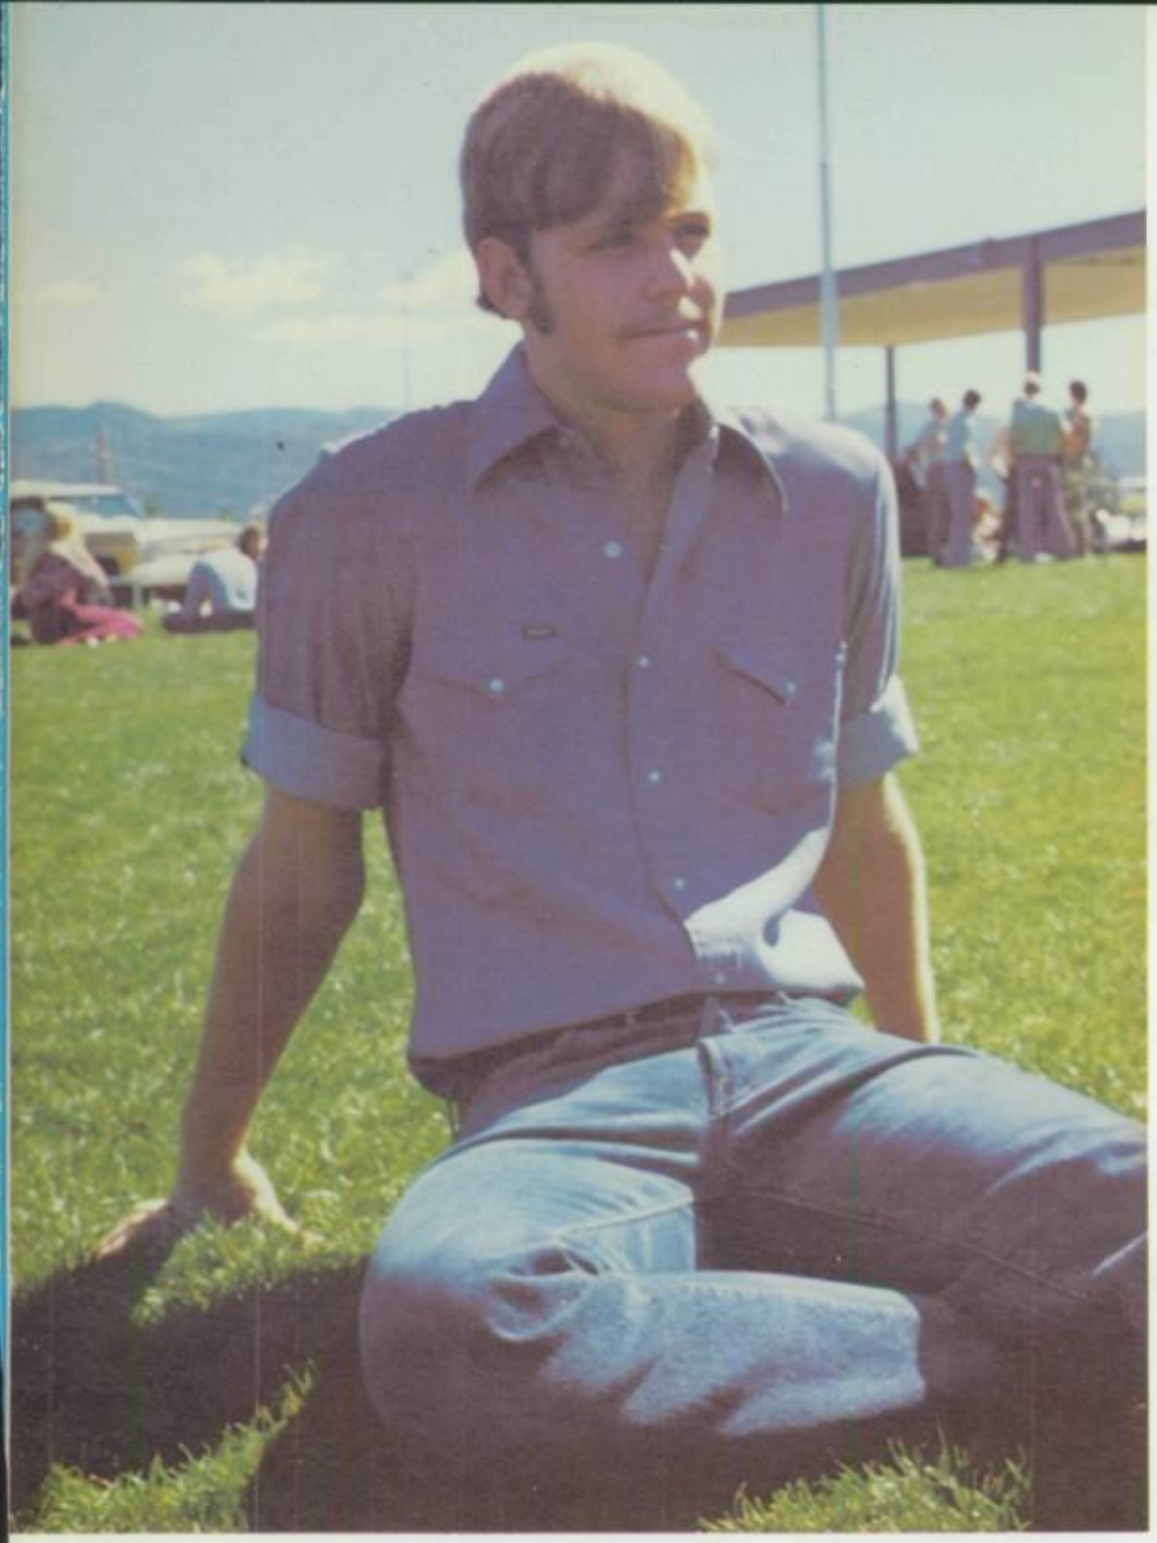
Way Back When . . .



Do not follow where the path may lead.
Go, instead, where there is no path and leave a trail.

Anon.

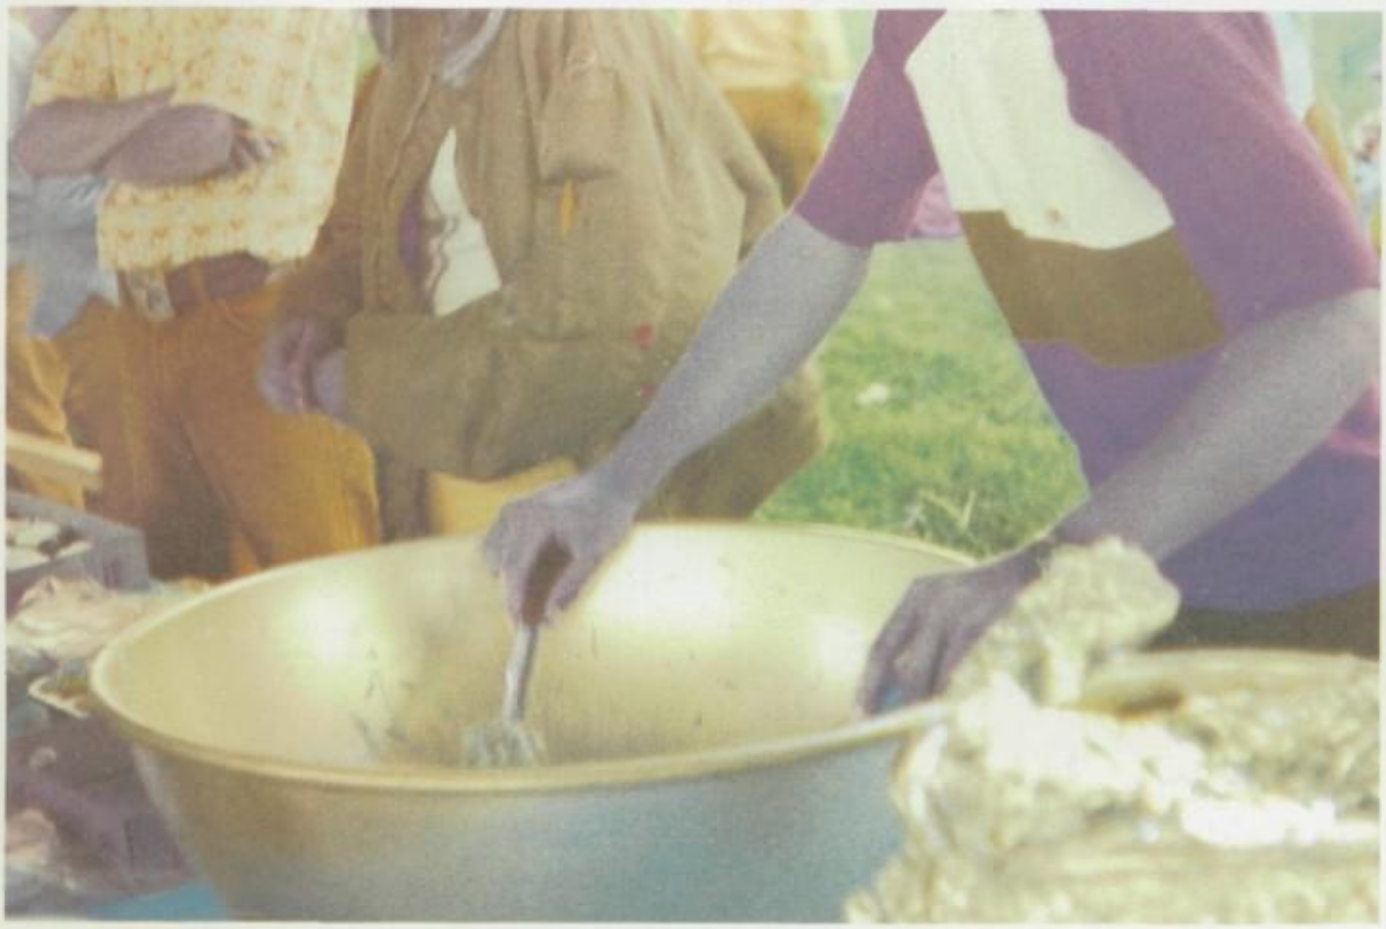


The glory of friendship is not the outstretched hand, nor the kindly smile nor the joy of companionship; it is the spirited inspiration that comes to one when he discovers that someone else believes in him and is willing to trust him.

Emerson

Through your suffering and pain never lose sight of your concepts and your seeking of understanding. Work out your freedom to its remotest end. For your life will become richer when you share each new found freedom with others.

Rinder



Why should we be in such desperate haste to succeed and in such desperate enterprises?
If a man does not keep pace with his companions, perhaps it is because he hears a different drummer.
Let him step to the music he hears,
however measured or far way.

Thoreau

Our task as men is to find the few principles that will calm the infinite anguish of free souls. We must mend what has been torn apart, make justice imaginable again in a world so obviously unjust, give happiness a meaning once more to peoples poisoned by the misery of the century. Naturally, it is a superhuman task.
But superhuman is the term for tasks men take a long time to accomplish, that's all.

Camus

Nothing is more wonderous than a human being when he begins to discover himself.

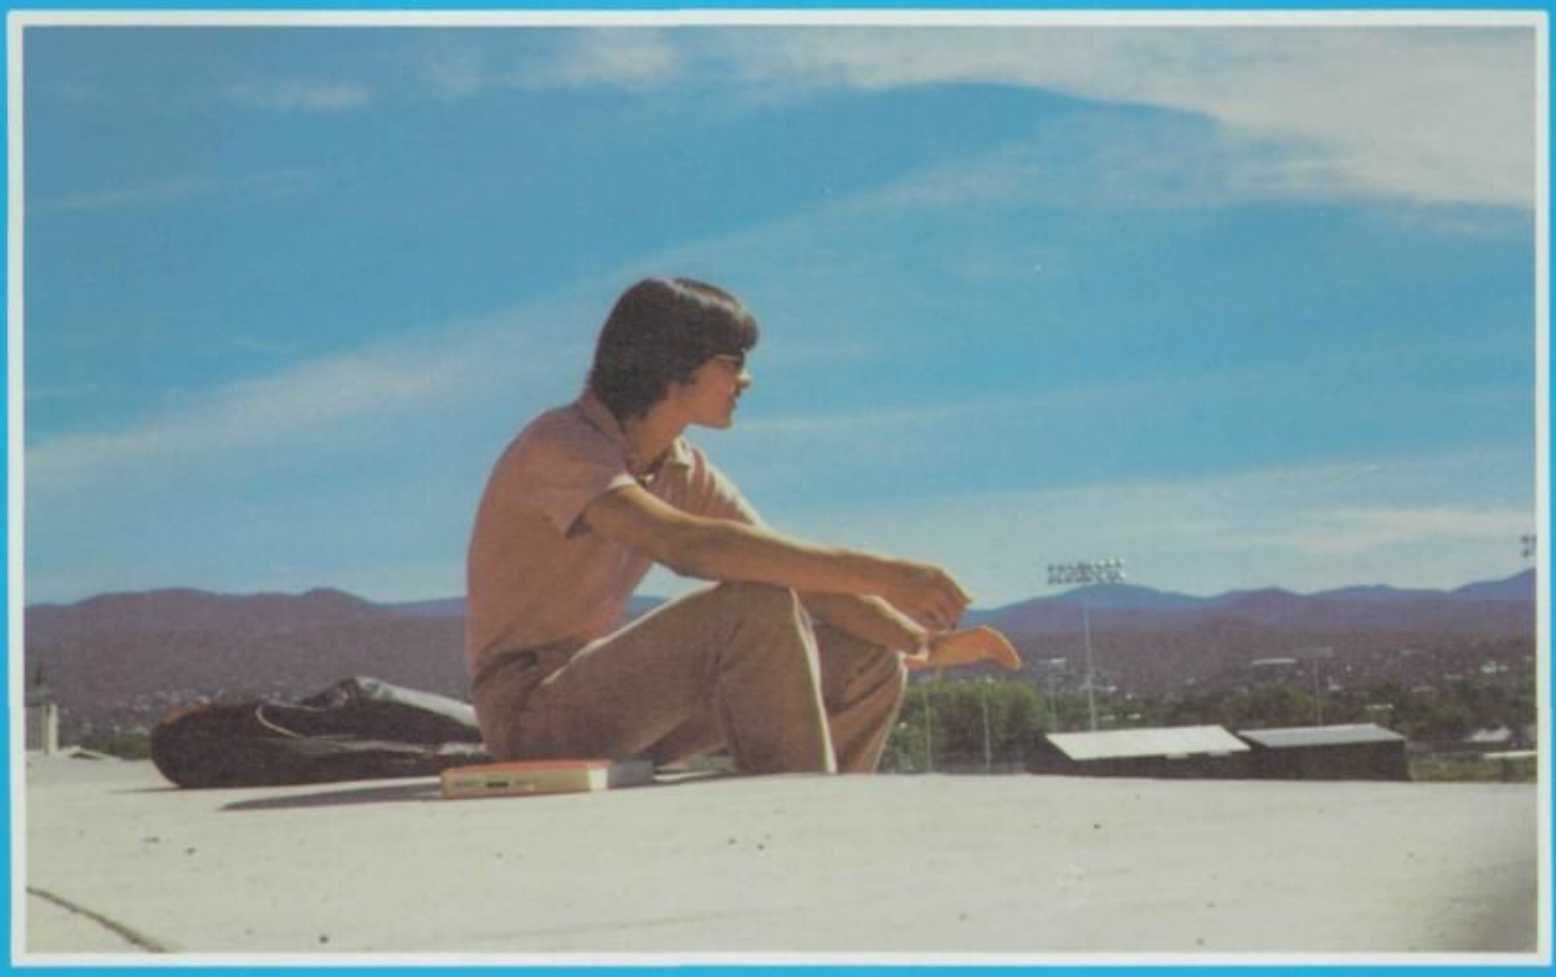
Rinder

I don't know which is harder;
saying goodbye
or starting new.
Neither one is easy,
but I need both . . .
Change is part of my growth.

Donni and George Betts

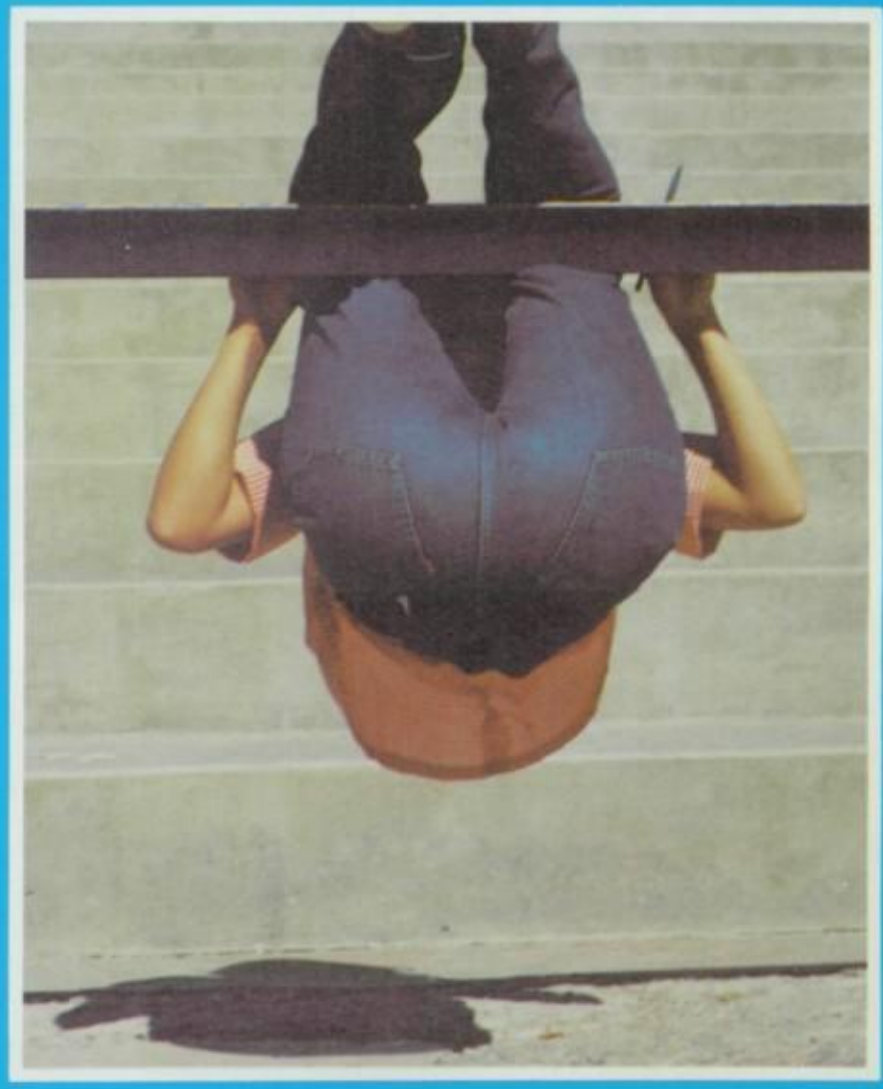
Don't look away from
the world . . . Give
yourself to it.

Rinder



Half the job of life is in
little things taken on the run.
Let us run if we must —
even the sands do that —
but let us keep our hearts going
and our eyes open that nothing
worth our while shall escape us.
And everything is worth its
while if we only grasp it
and its significance.

Cherbuliez

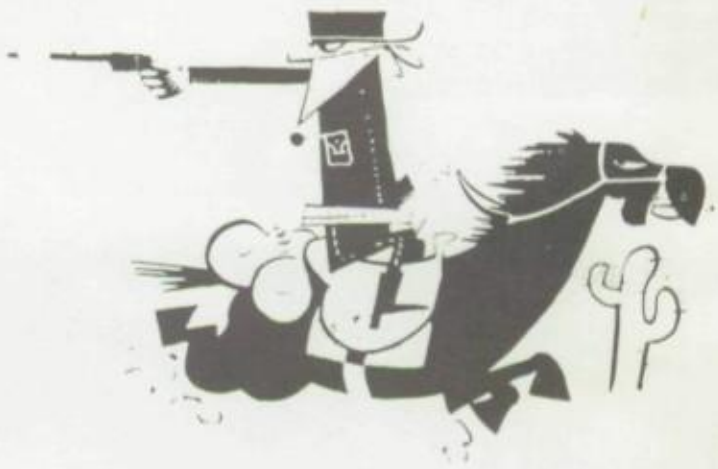


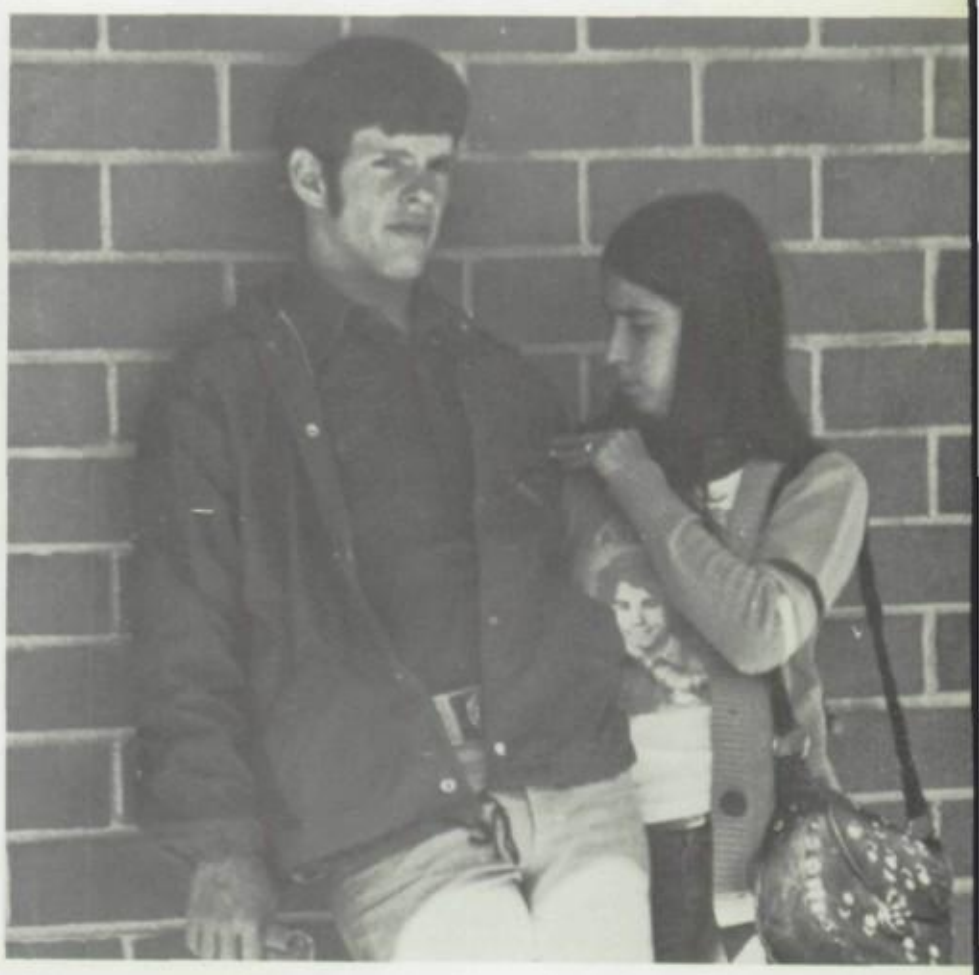
Remember by finding things
within yourself
only then will you be able to
share them with others.

Anon.

Man is forced to be alone by the very nature of society. But if you meet a person who is not envious, who loves and believes in other than himself, then to this rare person offer a lifetime of friendship.

Schutz





Do not reject what you do not understand; for with understanding there may be acceptance.

Rinder

SENIORS

In Life

May you sail sturdily over the waves of hate, but sink deeply into the oceans of love.

May you avoid the thorns of unfriendliness, but land like a butterfly on the flowers of friendship.

May you fly like a seagull over the jagged cliffs of war, but land softly on the beaches holding the sands of peace.

May you escape the subtle webs of unhappiness, but spin your own webs of joy.

May you shun the fearful canyons of selfishness, but tumble through the thick meadows of generosity.

And may you forever wander a great distance from the pits of satan, and stroll the green, grassy hills of heaven.

Feelings of Loneliness

Loneliness is something not
everyone can face.
It tears your heart and soul
And leaves scars for the rest
of the life.

It cannot be taken lightly
The thoughts must be open
and truthful.

Never ending lies and tears
Traumatic experiences never shared
Something empty from the life
Feelings of sorrow never feeling
whole.

Thoughts

Gather my thoughts on a field of flowers
take away the gray skies
nothing melancholy past the hopes

if my thoughts of you
were put to use
all things bright and beautiful
would grow on love alone.

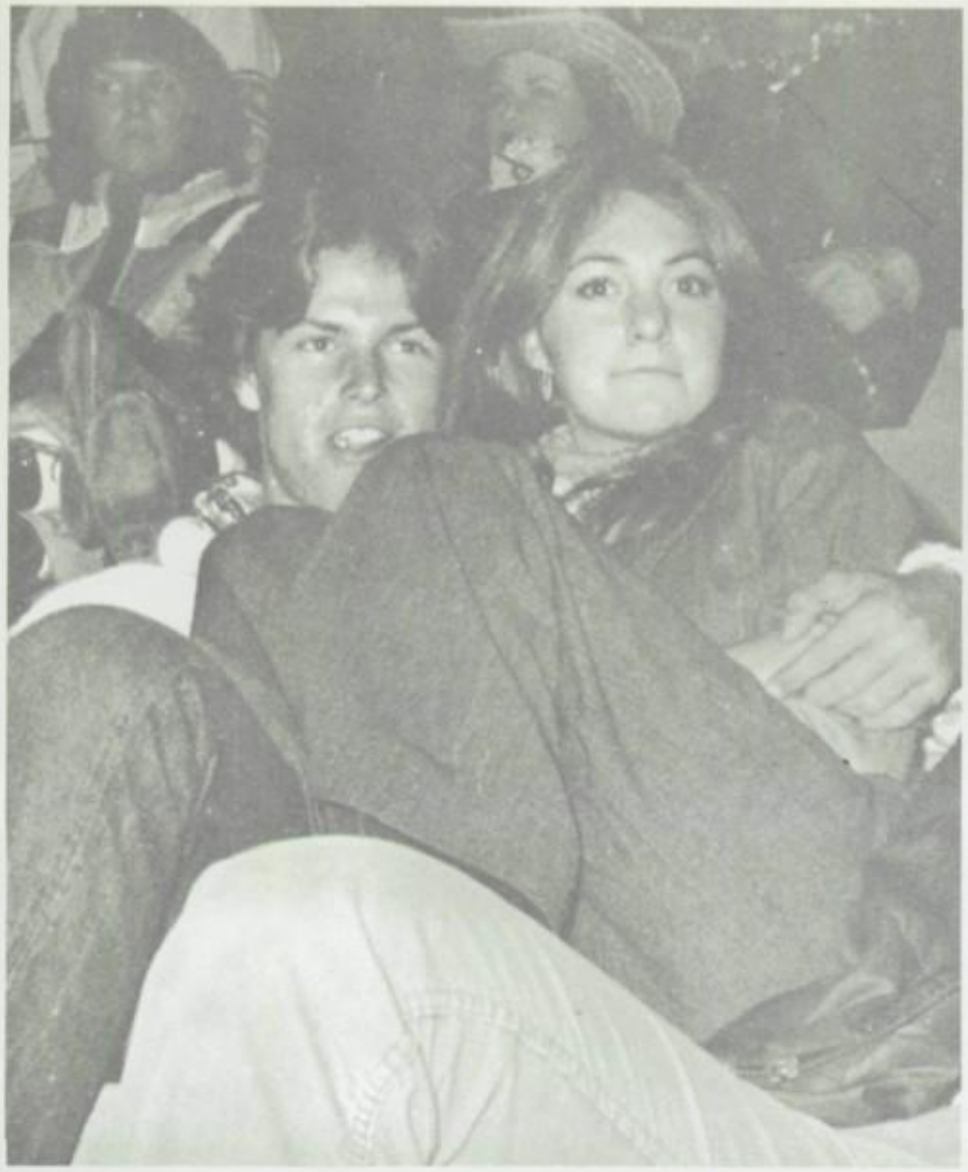
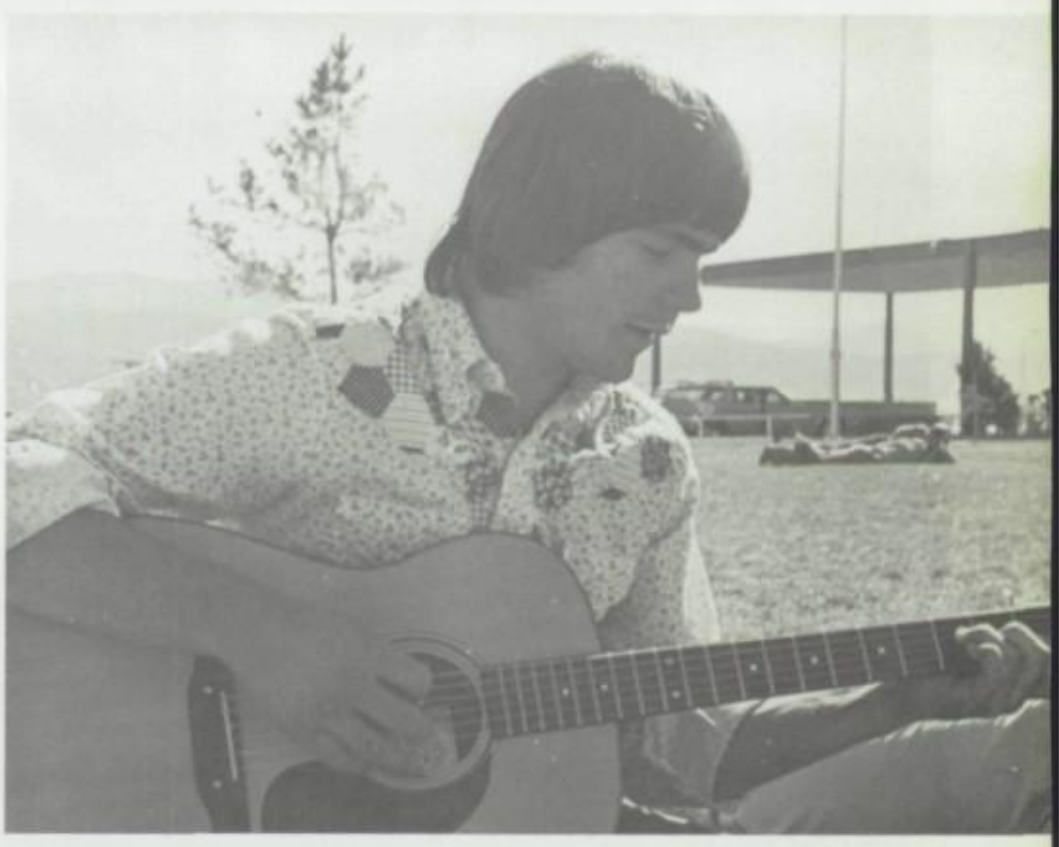
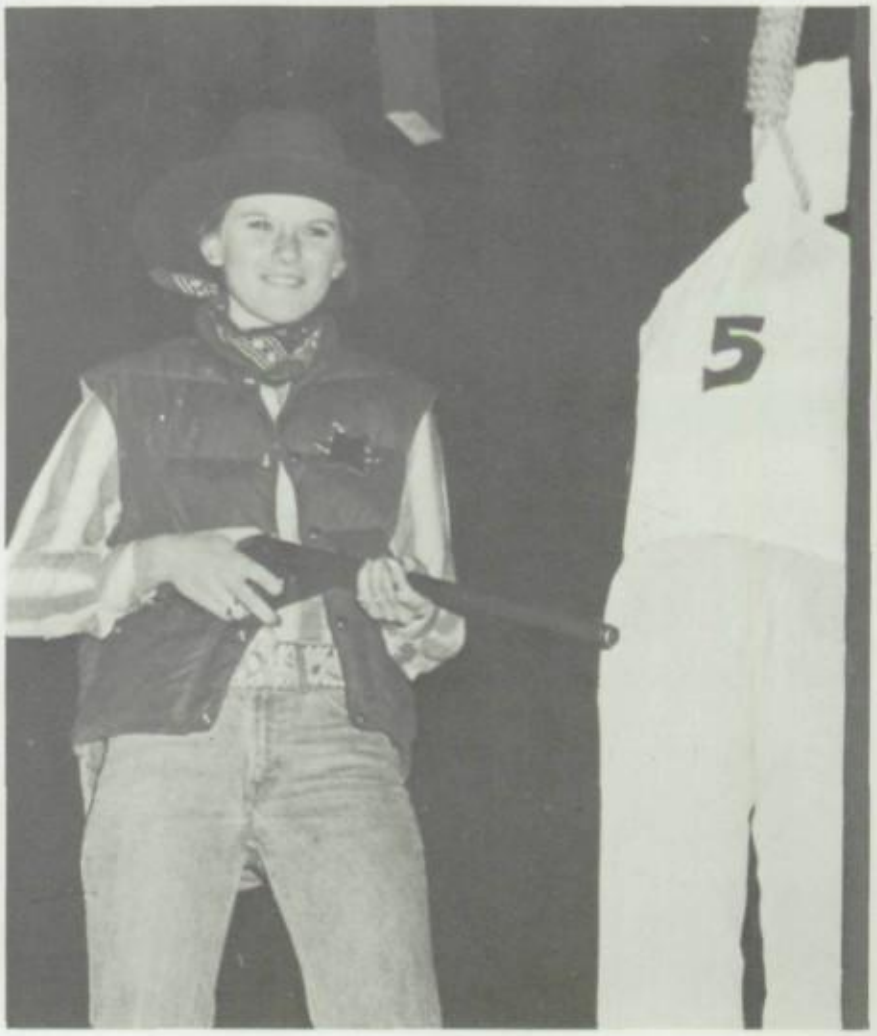
STUDENT LIFE

We are all travellers in the wilderness of this world, and the best that we find in our travels is an honest friend.
Stevenson





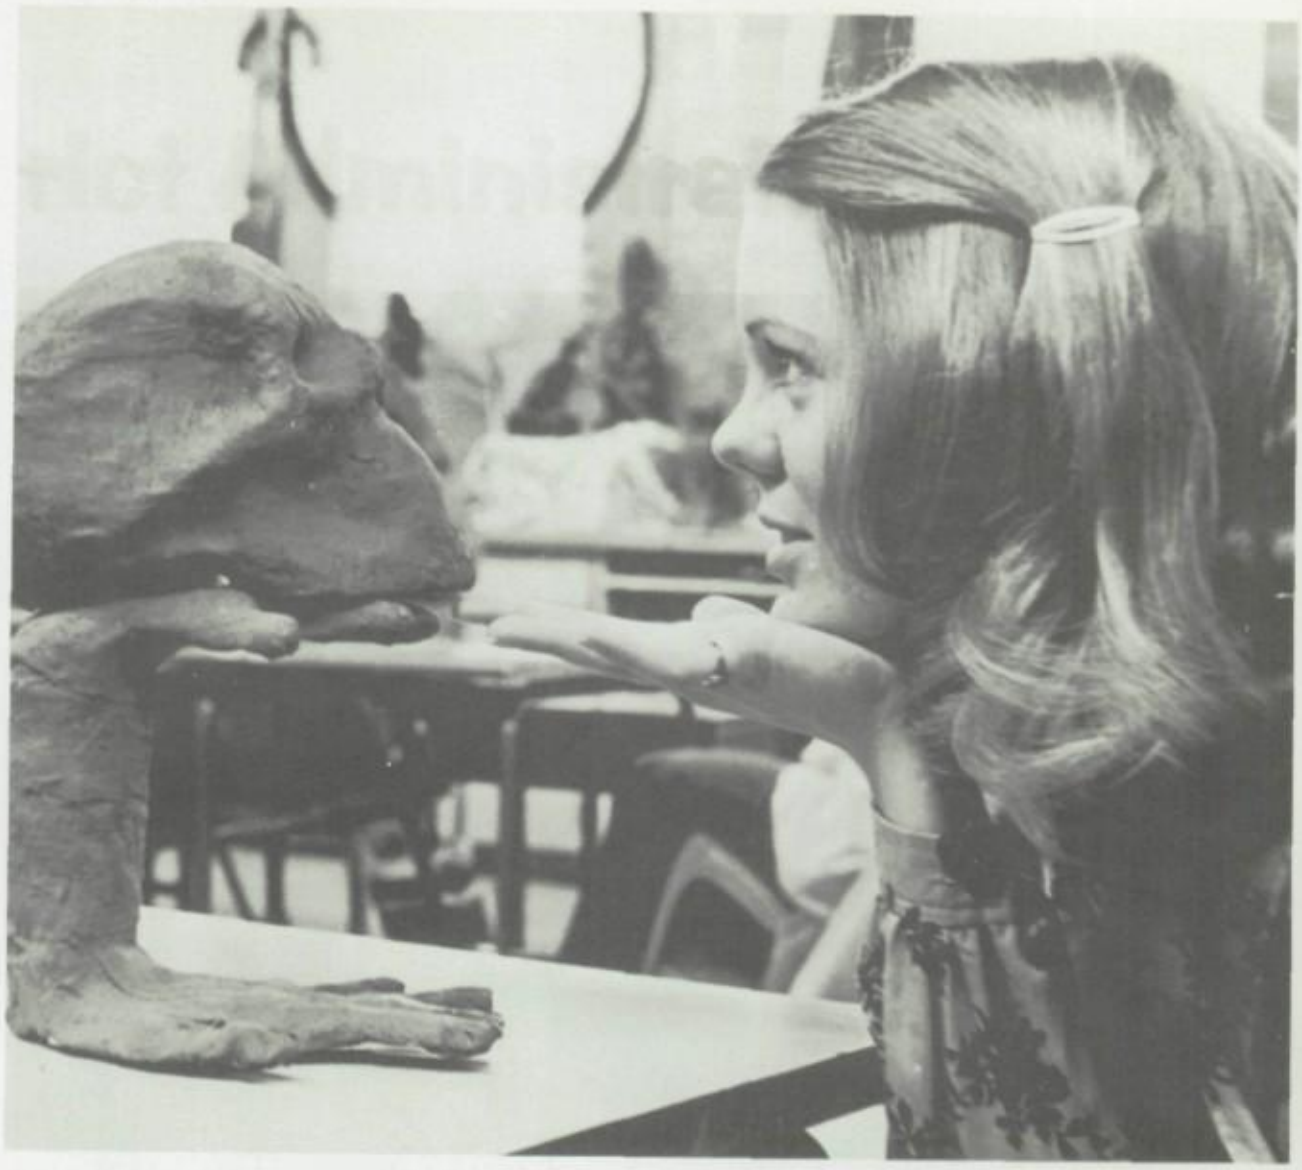


5

**A friend is one to whom one may pour out all the contents of one's heart,
chaff and grain together knowing that the gentlest of hands will take and sift it,
keep what is worth keeping and with a breath of kindness blow the rest away.**

Arabian Proverb

a man is only complete
when he has a true friend
to understand him,
to share all his
passions and sorrows with,
and to stand by him
throughout his life.
Schutz

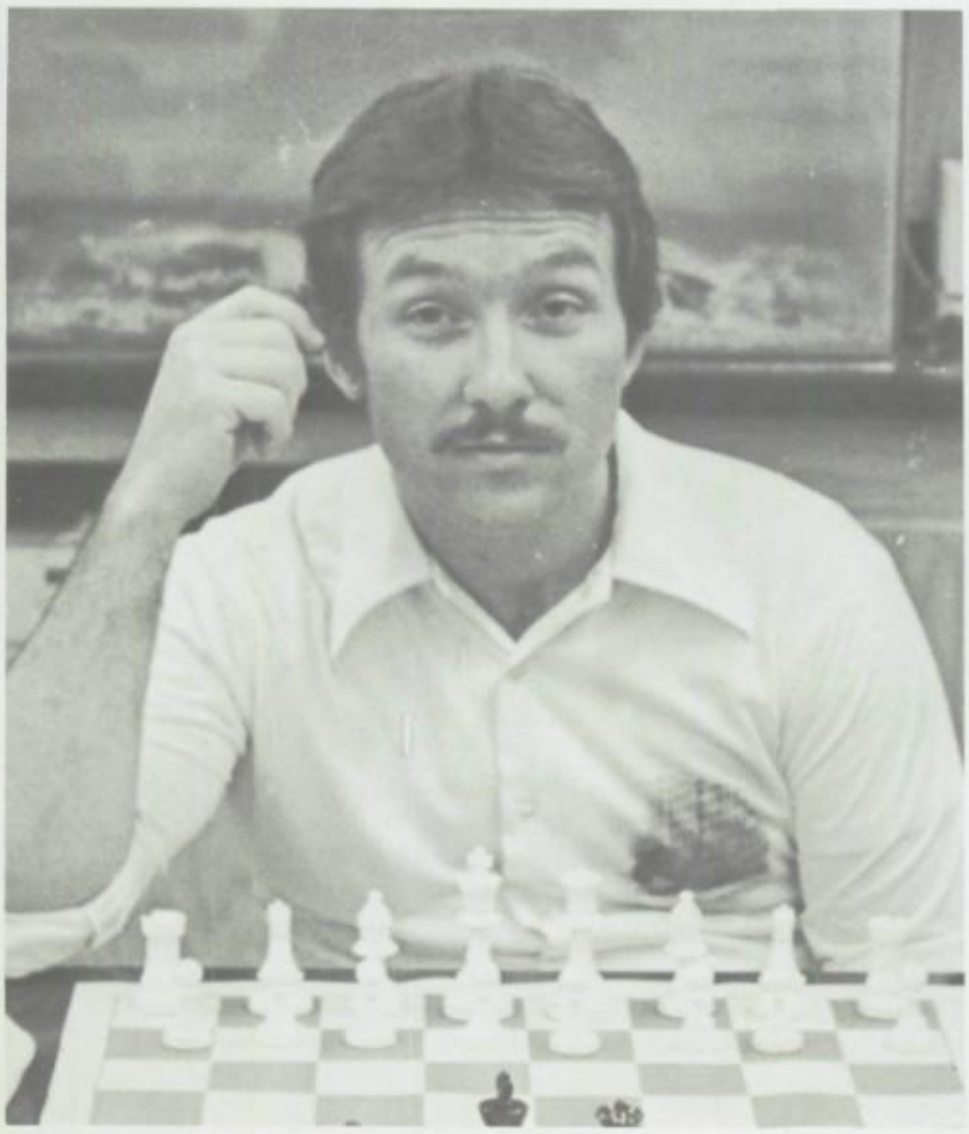


Do what you want to do
Be what you want to be
Look the way you want to look
Act the way you want to act

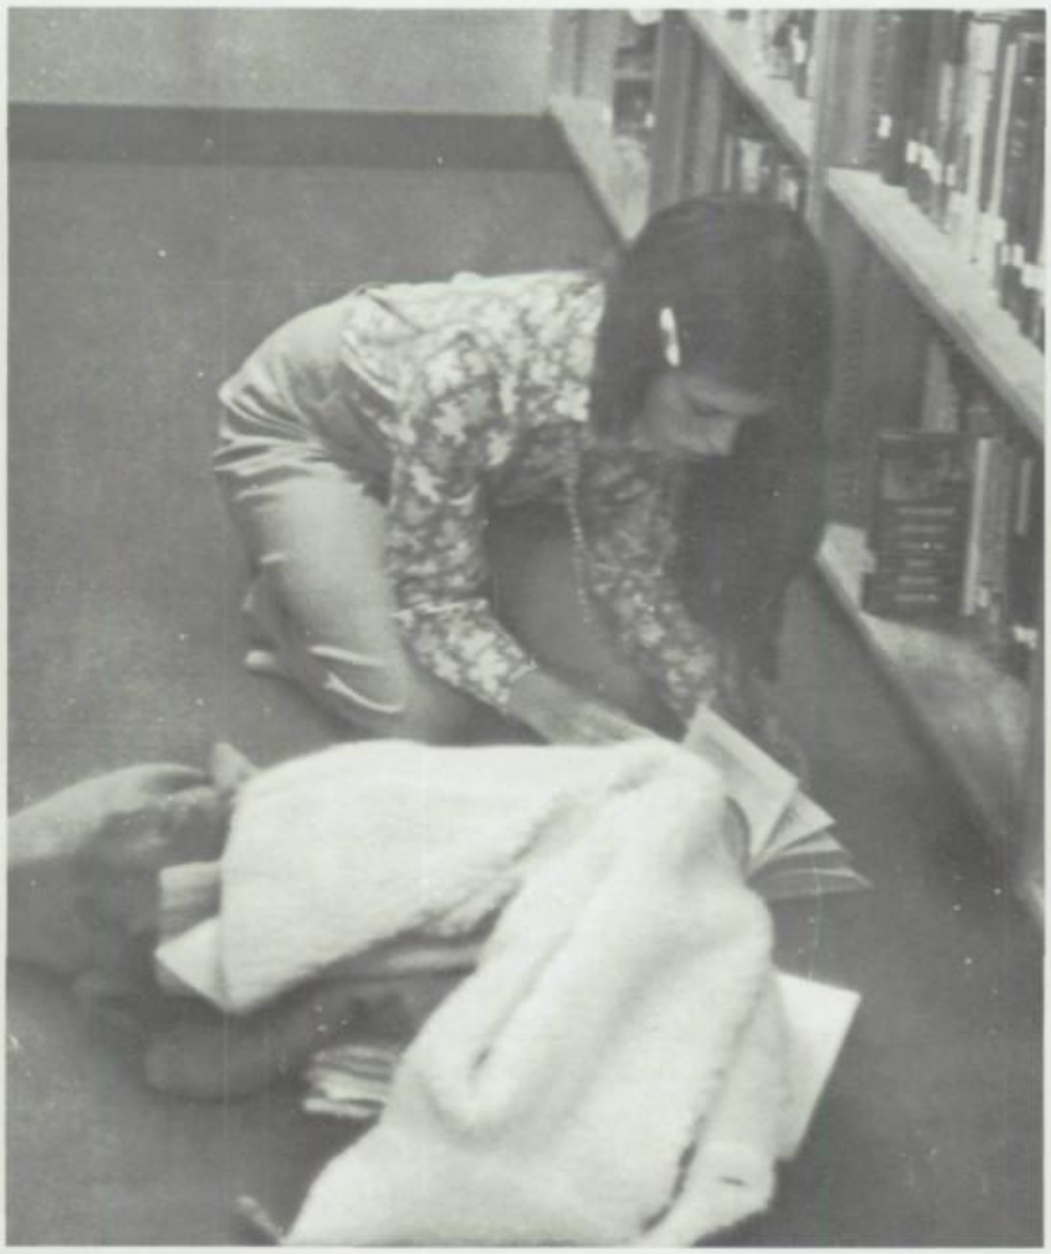
Think the way you want to think
Speak the way you want to speak
Follow the goals you want to follow

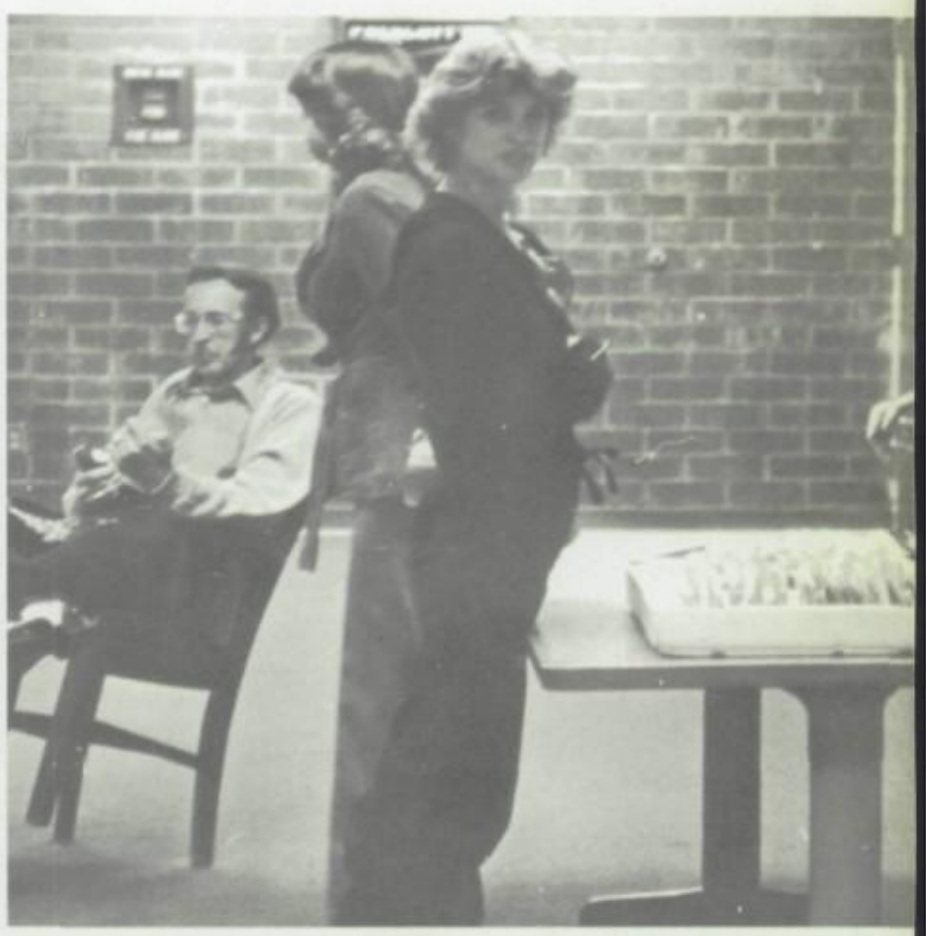
Live according to the truths within yourself.

SCHUTZ



Far away there in
the sunshine
are my aspirations. I
may not reach them,
but I can look up
and see their beauty,
believe in them, and
try to follow where
they lead.
ALCOTT





So long as we love, we serve.
So long as we are loved by others, I would almost say we are indispensable; and no man is useless while he has a friend.

PHS Students find all kinds of ways to keep busy!! Joe Krz. demonstrates his new dance step for our activities photographer, while David Crowe watches with envy.

The #1 PHS Choral group, joined by the Jr. High singers bring Christmas cheer at the annual Courthouse lighting. The group under the direction of Mr. David Lunt, sang to a crowd of at least 250 people. In addition to the traditional carols, the students also added some of their own original touches. This event has become almost tradition in Prescott and is enjoyed by the community as well as the choral department.

Theater Productions

This year the drama club combined their talents and came up with some fine productions for the school and the community.

Below Margaret Jenseon, Bentley Bremmon, Lisa Gregory, Sherri Auth, Jeff Knox, Sara Lowe, Sara Scott, and David McCormick (from left to right) performed in "Bessie the Bandits Beautiful Baby," under the direction of Lisa Gregory. A couple other plays were "Devils Deciples," directed by Mrs. Tyson and "Up the Down Staircase," a classroom production directed by Mike Loftus.

Dejection is written on Sara Lowe's face as she speaks to Sherri Auth (right picture).

Expressions tell stories!

Seniors Prevail

The night of February the 3rd was a success for the Seniors! They pulled a victory over the Juniors during the Powderpuff Basketball game! The ending score was 39-38. The girls were encouraged by their very sexy cheerleaders with yells and chants.

To the right (top picture) the Seniors display their beauty as they watch their winning team.

The Junior cheerleaders (bottom right Picture) Try to make an effort at cheering on their team.

Both teams put forth a good game with help from their coaches. Mr. Villiboughi coached the Juniors while the Seniors were coached by Mr. Mezera.

The Senior Cheerleaders were mascoted by the very agile Bubba Shackleford.

The powder puff football game could not be covered in the yearbook because of the deadline it had to meet.

Pride Inside: Spirit Week 1977

This spirit week was a very special week with many activities.

The Air Force Jazz Band brought sensational sounds to the campus on Wednesday during Activity period. Many students wore dresses and suits on this day welcoming their arrival.

One of the afternoon games was the hula-hoop races. Even the teachers got into the swing of the fun!

Another game envolved the making of the tallest human mountain. To the left the men coaches have built the tallest mountain of the day. Other games included a tug-a-war contest, a putting game, a broom race and lifesaver passes.

Joining in on the activity was the best fun of all.
PHS DOES HAVE PRIDE INSIDE!

One day was set aside for dressing in any sport's outfit.
The top far right picture shows Nikki joining in on the fun.

It is snowing heavily again
I have been watching it for a long time
the way a blind man looks at the world
on the back of his eyelids.
Something I wanted in my hands is not
there, and I hear the soft cry of the
flakes approaching.
Trapped among branches, it sounds as
if I have lost someone and have reached
up to find that same whiteness on my
mouth, plunging into itself without me.

In memory of Mrs. Mary Ann DeWillis for all the love and friendship she gave us.
